

Family TDM Amenities

TDM MEASURE:

To address particular challenges that families face in making trips without a private vehicle, the property owner shall provide one or both of the following options:

OPTION A

POINTS:

1

Amenities: On-site secure location for storage of personal car seats, strollers, athletic or other extracurricular gear, and cargo bicycles or other large bicycles. Personal car seat storage should be located near off-street car-share parking space(s).^{1,2}

One secure storage location for personal car seats, strollers, athletic or extracurricular gear and one secure cargo or other large bicycle parking space shall be provided per every twenty Dwelling Units, with a minimum of two secure storage spaces and two secure cargo or other large bicycle parking spaces per building.

Personal car seat, stroller, and athletic or other extracurricular gear storage shall be provided either in secure storage located near off-street car-share parking space(s) and shall each have useable interior space that is at least 35 inches high, 25 inches wide and 30 inches deep. Secure storage for cargo or other large bicycles shall meet the dimensional requirements to accommodate the largest bicycles described in the Zoning Administrator Bulletin No. 9.

NOTES:

- 1 Storage for cargo bicycles shall count towards total bicycle parking.
- 2 Parking for cargo or other large bicycles shall remain reserved for cargo or other large bicycles.

APPLICABILITY:

This measure is applicable to residential Development Projects (land use category C), particularly those with larger Dwelling Units.

POINTS:

1-2 ○○

One point for each option, up to two points.

OPTION B

POINTS:

1

Amenities: One collapsible shopping/utility cart for every 10 Dwelling Units and one cargo bicycle for every 20 Dwelling Units. All equipment shall be kept clean and well maintained. Cargo bicycles and carts shall be available for use to any unit by advanced reservation on an hourly basis (e.g., pen and paper sign up system, online, etc.).

DEVELOPMENT REVIEW: The property owner shall submit plans that identify the location of the space for the amenities. City staff will review the proposed plan to ensure that the amenities meet the standards and minimums specified in this measure and assign points based on the level of implementation.

PRE-OCCUPANCY MONITORING AND REPORTING: For Options A and B, the TDM coordinator shall facilitate a site inspection by Planning Department staff to verify that the amenities have been constructed and/or provided as specified in the project approvals. City staff will verify that there is a system in place to make amenities accessible to tenants that meets the standards specified in the project approvals.

Additionally, City staff shall provide the TDM coordinator with a copy of the approved TDM Plan. The TDM coordinator will provide City staff with a signed letter agreeing to distribute the TDM Plan via new employee packets, tenant lease documents, and/or deeds.

ONGOING MONITORING AND REPORTING: For Option A, the property owner shall submit photographs of the secured storage spaces or an inventory of assigned storage spaces. For Option B, the property owner shall submit documentation tracking the use of the shared amenities to verify that the carts and cargo bicycles remain available to tenants. City staff will perform one site visit every three years to verify that the project continues to meet the standards specified in the project approvals.
