*P3a. Description: (Describe resource and major elements. Include design, materials, condition, alterations, size, setting, and boundaries)

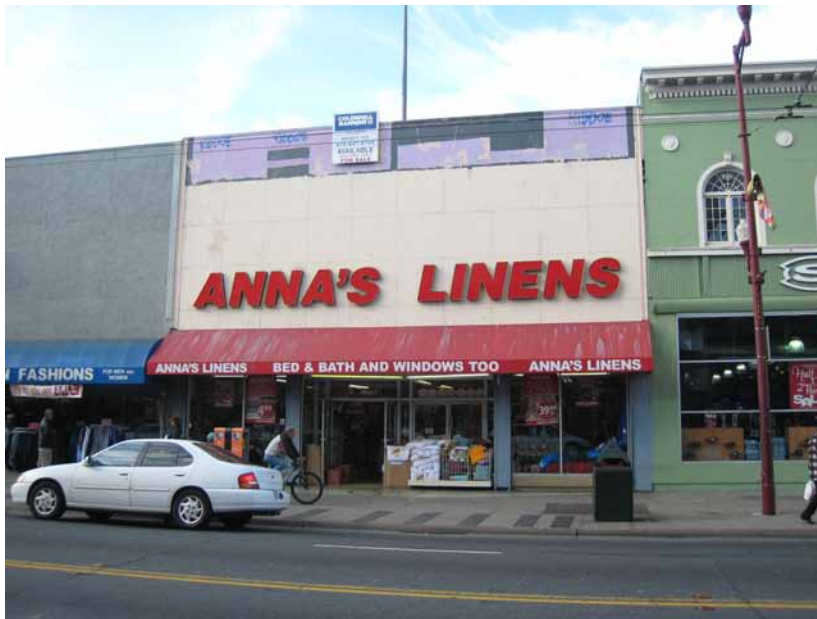

2610 Mission Street is located on a 40' x 125' rectangular lot on the west side of Mission Street, between 22nd and 23rd streets. 2610 Mission Street is a 2-story, brick masonry commercial building with no discernible style. The rectangular-plan building, clad in scored stucco, is capped by a flat roof. The foundation is not visible. The primary façade faces east and includes 3 structural bays separated by heavy structural beams. The entry lobby contains 2 pairs of fully glazed, paired recessed metal doors surmounted by a glazed transom. Storefront fenestration consists of fixed plate-glass vinyl-sash windows. Site features include an arching terrazzo floor design with a "\$" sign, which projects into the sidewalk area. The façade terminates in a tall gridded parapet and flagpole.

The building appears to be in good condition.
